Day	Destination	Sightseeing	Meal	Hotel
1	Reykjavik	<p>Arrive Reykjavik Airport with private coach (45mins, 41km), transfer to Golden Circle</p> <p>❶ Pingvellir National Park (1hr15mins, 78km) (Thingvellir) is a historic site and national park in Iceland, east of Reykjavík. On the site are the Pingvellir Church and the ruins of old stone shelters. The park sits in a rift valley caused by the separation of 2 tectonic plates, with rocky cliffs and fissures like the huge Almannagjá fault.</p> <p>❷ Geysir (15mins, 10km) The world's most famous natural geyser, Geysir, is Icelandic meaning burst spring. Next to it is the Strokkur Geyser, which is sprayed two or three times every eight minutes or so. The water column is as high as 20 meters, which is very spectacular.</p> <p>❸ Gullfoss (1hr30mins, 175km) ~ Check in hotel</p>	Breakfast	4* Hotel Vos or similar
2	Reykjavik	<p>Hotel Breakfast.</p> <p>❶ Skógafoss (1hr, 85km) located on the south side of Iceland, is about 25 meters wide and 60 meters high. It is the most spectacular waterfall in Iceland. Due to the very high altitude, the water volume of the upper Skógá River is very high, making the Skoga Falls spray from a height. Leak down, spray a lot of water mist, if the weather is good, the angle of the sun shines, the luck will be good, there will be two rainbows, so it is also called "Rainbow Falls".</p> <p>❷ Jökulsárlón Glacior lagoon(1hr, 57km) The Jökulsárlón lagoon is right next to Vatnajökull, Europe's largest glacier. Vatnajökull and its surrounding area is Iceland's largest national park, and the second biggest national park in Europe, after Yugid Va in Russia.</p> <p>There are only three <u>national parks in Iceland</u>, all very unlike each other. Jökulsárlón forms a part of Vatnajökull National Park, that is characterised by ice, glacier tongues, rugged highlands and lava landscape.</p> <p>❸ Diamond beach (1hr 30 min, 100km) Check in Hotel</p>	Breakfast	3* Fosshotel Nupar or similar
3	Reykjavik	<p>Hotel Breakfast. Reynisfjara</p> <p>❶ Black sand beach (40mins, 35km) The black sand beach (Reynisfjara) in the town of Wick is one of the ten most beautiful beaches in the world. The black sand legends everywhere are caused by the witch's magic, and the whole body is black and</p>	Breakfast	3* Vellir Hotel or similar

		<p>crystal clear. In fact, these gravel are lava erupted by volcanoes. Basalt particles eroded by sea breeze and waves, black sand and white waves have also become the sights of many extraterrestrial films. The most peculiar thing is the columnar joints next to the beach, which are naturally formed.</p> <p>② Seljalandsfoss (30mins, 30km) is a 60-meter-high waterfall in southwestern Iceland, located on the Seri Yalan River about 30 km west of Skogar, also known as the Shepherd Falls. Behind the waterfall, there is a trail at the bottom of the cliff for visitors to pass through. The waterfall is south of Iceland's No.1 roundabout road and has convenient transportation.</p> <p>③ Reykjavik (1hr45mins, 121km) ~ Check in Hotel</p>
